Dear Prof. Del Rio - Hortega

With reference to my previous
letter, I have somewhat altered
the plan of my journey in
order to travel with a more
comfortable train. I shall
arrive in Madrid at about
11 o'clock ^{a.m.} of September 12th
and in the afternoon of the
same day I'll come to
see you in your laboratory.

M^{rs} Da Fano is coming with
me and will probably
stay at the Palace Hotel.

With kindest regards I am
yours sincerely
C. Da Fano
