

Barquillo 12 dupl.
Madrid July 21

Dear Señor del Rio,

Dr. Penfield and I want to send to you and your family another message - a small expression of our gratitude to you all for your splendid hospitality. Your kindness has made our sojourn here a time very rich for Memory's keeping. And we both hope that sometime in the near future

it will be possible for
us to return your
kindness to us in
some small measure.

Will Felice, Julia,
and Catalina care to
wear these bouquets
when they leave
Madrid today?

With affectionate
regards from us both
to you and your family
Helen and Wilder Penfield
