

CHARLES T. OLCOTT, M. D.
322 WEST 75TH STREET
NEW YORK CITY

Jan. 27th '27

My dear Dr. Del Rio Hortega,
Dr. Manuel

Japia and I were speaking together about reticulin to-day and of course your name came up. He thought you might be good enough to send me some of your reprints on the subject. I can read Spanish but regret that I cannot write to you in it. I should be obliged if you could send me some of your reprints.

Sincerely

Charles T. Olcott
