Dear Dr. Del Rio-Hortega,

Dr. Penfield has promised me the paper which you and he are writing, on changes in the neuroglia in brain wounds, for my Journal "Brain".

He also asked me to write to you for it. I should be very grateful if you could let me have it for my Journal within the next six weeks; as I should like to publish it in an early number.

I am,

Yours sincerely,

Gerdm Holmes
