

Dear Senor del Rio- Ortega-

In early July Dr Penfield
and I went to have dinner
with Pa and Mrs. Stevenson.
They showed us some
pictures of familiar people
and places in Spain
which brought back
happy memories. We were
still happier when they
assured us that you
had not forgotten us. Also,

They gave me from you
the pretty vase from
Toledo which I appreciate
very much.

Dr. Penfield has just
returned from a short
trip to England.

We look forward to
having you visit us here
some time and hope to
return some day to Spain

Please remember us both
to your Father and sisters
and to Senor Gomez

and believe us to be

Always sincerely
Helen K Penfield
and
Wilder Penfield
