Dear Don Pio -

I have just obtained your address from Dr. Costello and hasten to send you my sincere thanks for your beautiful, beautiful gift. I need not tell you that nothing was needed to add to the store of respect, esteem, and affection we hold in our hearts for you - but this is such an example of your kindness that I shall always treasure it, as a remembrance of you.

Never have we encountered such universal courtesy and

Kindliness as we found here
in your Spain, Don Pio, and
it is with real regret that
we leave it now. We shall
look forward to your coming
to America and endeavor
in some small measure, to
reciprocate your great hospitality.

Dr. Alpers and I send kindest
regards to you and to your
family, and trust you have
a most pleasant vacation.
Again, many many thanks.

Sincerely

Lillian S. Alpers
