My dear Professor:

It is our pleasure to send you a complimentary subscription to the Archives of Neurology and Psychiatry. Will you be good enough to let me know whether you are receiving same. If by any chance you do not receive copies regularly will you please let me know.

I hope you will find the Archives of sufficient merit to send us one of your original articles which we shall be very glad to publish. If sent us in Spanish we can have a translation made here and transmitted to you for approval.

We were very pleased that you were good enough to take on Dr. Bernard J. Alpers as a student. He writes enthusiastically about the excellent work that he has been doing under your direction.

Very truly yours,

Editor in Chief.
