Professor P. Rio-Hortega, M.D.

Dear Sir,

As I am working presently with the pineal gland, and as the reviews, Arch. de Neurobiol. in which you have published in the years 1922 and 1929 articles on this matter, are not accessible for me, I would be very grateful, if you kindly would send to me some reprints.

Thanking you before, I am truly

Yours

Knud Krabbe
