Dear Don Pio,

The heading of the chapter which you have written will be, P. Del Rio-Hortega, Madrid. In another list however the university or laboratory appointments are to be listed. I have placed here after your name the following:- Director. Laboratoria de Histologia Normal y Patologia. Residencia de Estudiantes, Madrid.

Is this satisfactory to you or would you like to have something else?

I hope that the book will be out now within a month or two.

With best personal regards,

Ever yours,
