Dear Don Pio:

I am returning to you all of your illustrations for the chapter on the Pineal Gland except two. Figure 23 and Figure 31 were not well enough done and I have sent them back to Mr. Hoeber for better plates. I hope you will like the reproductions. Dr. Nonidez has collected the proof and I have been over the galley proof; it is all in good order and looks very well indeed.

With best regards,

Yours sincerely,
