PROFESSOR

EDMONTON
ALBERTA, CANADA

January 7th., 1935.

Senor D. Pio Del Rio-Hortega,
National Cancer Institute,
Cludad Universitaria,
MADRID. SPAIN.

Dear Senor D. Pio:

After long delay I have sent you to-day by mail,
a box containing specimens from twenty-five brain tumors. I hope
they will reach you safely.

With kindest regards and best wishes for 1935.

Yours very truly,

John James Ower
