Dear Professor Hortega:

In Dr. Vincent's laboratory in Paris I have seen the Proceedings of the International Congress for Cancer, held in Madrid in October, 1933, which contain a chapter written by you on tumors of the nervous system. I would be very grateful to you if you could tell me where I might obtain this important article. We do not have it in our library.

With many thanks and kindest regards, I am,

Always sincerely yours,

Percival Bailey, M. D.
