

February 9th.

9

Dear Sir,

I feel myself very much honoured by the high distinction which the University of Oxford proposes to confer to me in granting me the degree of Doctor of Science Honoris causa, and I accept it with profound thanks, conscious that I am not worthy of it. It will be quite convenient for me to attend the degree-giving on February 25th. at 2.30 p.m.

Yours faithfully,

Douglas Veale, Esq., C.B.E.
